GSR School

Gearing up for a new rotation

A new slate of District 7 trusted servants is gearing up to serve in the new rotation that started in January. A joint District 7/District 22 GSR school was held in Clarkston on February 10, cohosted by the Whistling in the Dark and Happy Hour groups. New GSRs received district and area handbooks along with a wealth of other important information. Past servants, Gene D. and Gary W. shared their insights on service work at the district and area levels.

OPEN SERVICE POSITIONS

There are still a few open service positions at the district level. Current open positions are: Cooperation with the Professional Community, Treatment/Accessibility, Archives and Secretary. If you would like to get involved in service and are interested in one of these positions, please submit a service resume. Resumes may be submitted via email or in person at District 7 Business Meetings. The District 7 elected committee (incoming DCM, incoming Alt-DCM, current Secretary and current Treasurer) will review all resumes and notify prospective candidates of their status prior to bringing the full slate of candidates to a vote of the District 7 body. More information and position descriptions can be found [here](#) and in the District 7 handbook.
